

The Hong Kong University of Science and Technology  
Department of Chemistry

**S E M I N A R**

*Adventures in Catalysis Featuring Masked  
Isocyanates and Temporary Intramolecularity*

**Professor André M. Beauchemin**

*Professor & Director of Graduate Studies*

*University Research Chair in Synthetic Organic Chemistry*

*Centre for Catalysis Research and Innovation*

*Department of Chemistry and Biomolecular Sciences*

*University of Ottawa, Canada*

(Host: Professor Jianwei Sun)

- **17 May 2018 (Thursday)**
- **4:00 p.m.**
- **Room 4504, 4/F (Lifts 25/26)  
Academic Building, HKUST**

敢 · 創 · 未 來  
Innovating Today, Imagining Tomorrow

*All Are Welcome!*
