

The Hong Kong University of Science and Technology
Department of Chemistry

S E M I N A R

*Adventures in Catalysis Featuring Masked
Isocyanates and Temporary Intramolecularity*

Professor André M. Beauchemin

Professor & Director of Graduate Studies

University Research Chair in Synthetic Organic Chemistry

Centre for Catalysis Research and Innovation

Department of Chemistry and Biomolecular Sciences

University of Ottawa, Canada

(Host: Professor Jianwei Sun)

- **17 May 2018 (Thursday)**
- **4:00 p.m.**
- **Room 4504, 4/F (Lifts 25/26)
Academic Building, HKUST**

敢 · 創 · 未 來
Innovating Today, Imagining Tomorrow

All Are Welcome!
