

The Hong Kong University of Science and Technology  
Department of Chemistry

**S E M I N A R**

*Asymmetric  $\alpha$ -Arylation of Benzofuranones:  
Development, Mechanism and Synthetic  
Applications*

**Professor Ming Chen**

*Department of Chemistry and Biochemistry  
Auburn University  
U.S.A.*

(Host: Professor Jianwei Sun)

- **08 June 2018 (Friday)**
- **4:30 p.m.**
- **Room 4504, 4/F (Lifts 25/26)  
Academic Building, HKUST**

敢 · 創 · 未 來  
Innovating Today, Imagining Tomorrow

*All Are Welcome!*
